Subject: Attempt to Interview Complainant.

On 09 OCT 12, at 1340 hours, the complainant, [REDACTED], came to this office and met with the R/I. The purpose of the visit on [REDACTED] part was to obtain information regarding how she could have the City of Chicago repair the front door of her residence that was damaged during the course of this incident. After briefly discussing this matter with [REDACTED], the R/I requested that she remain at this office so that she could be interviewed relative to the allegations; [REDACTED] initially agreed to provide a statement at that time. She then signed a Consent to Record Statement form but after discussing the interview process with the R/I, [REDACTED] indicated that she did not wish to provide a statement until she first spoke with her attorney. The R/I provided [REDACTED] with a business card and asked that she contact the R/I by the end of business on 19 OCT 10 to arrange a future date for her to provide a statement.

It should be noted that [REDACTED] visit to this office was not pre-scheduled, nor did she contact the R/I prior to such to inform the R/I of her desire to speak with him.
